

HOW CAN I SHOW LOVE TO OTHER PEOPLE?

BIBLE STORY: God's Amazing Love (Ephesians 1–3)

BIBLE TRUTH: I should love everyone because God loves everyone.

BIBLE VERSE: I pray that you ... know Christ's love. *Ephesians 3:17b,19a*

Your preschooler is learning that the gospel is for everyone. God wants everyone to trust in Jesus. We can only truly love others because God loves us and loves them. We should love everyone because God loves everyone.

In Paul's letter to his friends at the church in Ephesus, he encouraged them to continue learning more about Jesus. He wanted them to grow in their knowledge of who Jesus is and to follow Jesus' example of how to live. He reminded the Ephesians that God has given us every good thing through Jesus.

Paul explained that God brought Jesus back to life by His power and made Jesus to be ruler over everything. God loved us so much that Jesus died for us. We show love to other people because of the great love Jesus showed for us by dying for us. Paul told the church that he was praying for them that God would make them able to understand the love God had for them.

God has that same love for us. He deserves our love and obedience because He gave His own life for us. Preschoolers talked about ways they could show love to others. Think of ways your family can show love to others this week. Pray that God would give you an opportunity to live out this truth with your child.
