

Hey! My name is Andy Brownfield and I'm your 5th and 6th grade boys VBS teacher! First off, let me say how much my heart hurts that we aren't able to do VBS like we normally do. I cherish that time every year and will miss the day in day out of getting to know you guys. However, that doesn't mean I'm not available to you. Please, don't hesitate to contact me. I am including my phone number in case you need to contact me. If you have a question, comment or just want to talk, I'm available to do that and would love it if you did!

For those who don't know me, I'm the Youth Pastor and Media Director here at Coral Hill. I have been youth pastoring for over 13 years and I have been leading this VBS class for at least half of that time. I love leading your group for a variety of reasons. First, you guys are a lot of fun to be around (a headache sometimes, but mainly fun haha!). Second, it gives me the unique opportunity to get to know you before you come into youth. I recognize that the transition to Student Ministries can be a challenge for some, so we try to make that less intimidating by building relationships with you guys before you officially become youth.

VBS this year will be great and I hope you take advantage of this extended opportunity to be in the Word! This year's theme is Concrete & Cranes, which is ironic since we just completed a construction project here at the church. My prayer during this week is that you will really dig into the Bible stories (which I'm listing below) and ask that God speak to you in a unique way through His Word.

I'm praying for you this week. I hope God speaks to you, guides you and give you an ever-growing passion to follow Him and please Him with your entire life. God bless, and I hope to see you soon!

Bible Stories:

Day 4: Matthew 28:1-10, 16-20 (Jesus will always love me)
